Summary

2nd year Btech. CSE @ IITGN

Experience

Student

Indian Institute of Technology Gandhinagar

2022 - Present (1 year)

In my first year, I learnt essential skills like mathematics, statistics (and data visualisation), physics, and programming (using python and C++), further improving my analytical skills. I also took courses on presentation and writing. Some courses required me to work in a team and taught me teamwork and communication.

Web Developer

Amalthea, IIT Gandhinagar

2023 - Present (less than a year)

I learnt and refined my skills including front-end development using HTML,CSS, and JavaScript, web scraping using python, PHP forms, and 3D animation (from scratch). I also learnt how to collaborate on work and keep a cool head when dealing with difficult people, along with valuable skills like teamwork, communication, and presentation.

Education

Indian Institute of Technology Gandhinagar

Bachelor of Technology, Computer Science

2022 - 2026

Licenses & Certifications

Natural Language Processing with Probabilistic Models - DeepLearning.AI

MP6VQQCZZAEN

Skills

HTML • Cascading Style Sheets (CSS) • C++ • C (Programming Language) • Web Development • PHP • JavaScript • Python (Programming Language) • Mathematics • Presentation Skills
